

An ideal solution for IITJEE students

In order to provide tailor-made, instant and cost effective solutions to the students, a team of experienced teachers and professionals have introduced a new portal called- Feveriit.com. It's a path breaking initiative that has been introduced to provide effective way outs to all students studying science at various levels. Feveriit is a one-stop destination for students aspiring to excel in board exams or aim for nothing but the top ranks in competitive examinations such as NTSE, JEE MAINS (AIEEE) JEE ADVANCED (IITJEE). On this portal, students can take online tests also.
